10 Top Reasons Students Can't Do Their Homework. . .

10. Tech Support for my PC was **outsourced** offshore.

9. I had to delete it to make room for my iTunes.

8. I'm still handwriting it. The MS Office license was too expensive.

7. I e-mailed it. . .didn't you get it?

6. I couldn't afford the HP ink cartridge.

INNOVATION

5. It took too long to type on a regular keyboard. Can I text it to you instead?

4. The cut and paste keys on my keyboard are worn out.

3. I plan on **"open sourcing"** from the kid next to me.

2. I had a visit from the **Blue Screen of Death**.

1. The dog chewed up my laptop.
