Extra Credit

Lesson 5 Project 4-My Album

- 1. Make your own photo album
  - a. Bring in your own personal photos of an activity or event
- 2. 15 pictures minimum
- 3. Every page/picture must have a caption
- 4. At least 7 pictures need to be edited in some way using previous techniques

(Brightness, AutoFix, Crop, Fixing Redeye, Levels, Filters, Color Replacement)

After you have found and manipulated your pictures, you will need to use an online website that allows you to build a photo album. SnapFish and Walgreens Photo have some excellent options. You will have to create an account but NO PURCHASE IS NECESSARY.
